Governance Role: Reports to both committees

Start Date: September 2012

Occupation: Head teacher

In my role as Head teacher at Warboys I regularly report to both Standards & Achievements and Resources committee and am an active member of the Main Governing Body.

I am keen to ensure that the Governors take responsibility for, and work in conjunction with the school, to help to raise school standards through their three key roles of setting strategic direction, ensuring accountability and acting as a critical friend.
