

Claire Eeley

Parent Governor

Staff

Parent

Co-opted

LA

Governance Role: Sits on Standards & Achievements committee

Start Date: December 2012

Occupation: Full time Mum

I have been a full time mum for almost 5 years since the birth of my first child. My eldest joined Warboys Community School in September this year and my youngest is due to start next year.

I feel strongly that parents should be involved in their children's education and for this reason wish to stand as Parent Governor.

I lived in Warboys from 1999 until earlier this year and still have strong links with the village. Despite moving to Ramsey I specifically chose to send my children to Warboys School and Pre-school. Throughout my time in Warboys I was involved in community matters including acting as secretary for the Horticultural and Craft society.

Prior to having the children I worked for the Customer Care team for Nokia UK as Service Point Manager.
