Parking

Once again we have received numerous complaints regarding inconsiderate/dangerous parking before and after school. We would like to share with you one of the complaints we received last week and have attached the letter (name and address withheld).

Once again can we remind you that the two car parks are for staff and visitors only and should not be used by parents/carers. Finally, when parking outside of school, please be considerate to our neighbours. This matter is being highlighted again, to keep your children safe.
