Ofsted grade our School as 'GOOD'

Yes, at last we can celebrate this long awaited, brilliant news. After what has seemed like a lifetime, the HMI inspectors have graded Warboys Community Primary school as a 'GOOD' school. This is such an amazing achievement for the school and for everyone involved with the school. Together, pupils, parents, staff and governors have worked relentlessly and remained focused on driving up standards. Our standards are now at least in line with national standards and our children make good progress from their starting points [which are often lower than national figures]. This accolade could not have been achieved without the sheer determination and unshakeable belief of dedicated staff as they strive to give the very best opportunities to our children.

Overall effectiveness of the school	Good
Quality of teaching and Learning	Good
Personal development behaviour and welfare	Good
Outcomes for pupils	Good
Early Years Foundation	Good

After visiting over 20 lessons and scrutinising school leaders over two days, inspectors agreed that Warboys School offers an enriched 'broad and balanced' curriculum and leaders are meticulous in reviewing all aspects of teaching and learning to ensure any underachievement or barriers to learning are quickly tackled.

We are absolutely delighted with the outcomes of this inspection and I am so proud of my staff and the children, all of whom rose to the mammoth challenge I set out 5 years ago. A copy of the full Ofsted Report has been sent out to every family and will be published on the Ofsted Website next week. Parents will have the opportunity to discuss and comment on the report and the next steps for Warboys School, at the next Parent Forum on Wednesday 24th January.
