Thursday 15th March 2018

Dear Parent /Carer,

During the Easter holidays, we are running morning sessions to support your child so they can secure or exceed their end of year targets. We are opening this opportunity up to every Year 6 child. The revision in the sessions will be targeted to the needs of each individual and they will give children another chance to secure their understanding in revisited topics and to extend on what they already know for those working at greater depth. We feel that maximum benefit will be gained by your child attending all three sessions. The maths and reading sessions will be interspersed with structured fun activities too.

These focused Easter Sessions will run on Tuesday 3rd, Wednesday 4th and Thursday 5th April 2018 from 9.30am until 12.30pm. They will be led by Mr Duncan and Mrs Hunter-Jones and supported by other members of staff. As a reward for the children who attend **all three** booster sessions we are planning a surprise during the first half of the Summer term. Further details of this will be sent out once the booster sessions have been completed.

Children can wear their own clothes and must bring a water bottle and snack.

We would like to clarify that the children attending will not be given any formal homework over the holiday in addition to these sessions, but all children will be expected to read regularly and, as usual, practice times tables and spellings.

Please complete the slip below to indicate which sessions your child will be attending.

Kind regards

Mrs Boxall
