Dear Parents/Carers,

Snapchat

Please find attached a FREE SAFETY GUIDE about the social media app **Snapchat** (created by <https://nationalonlinesafety.com>).

This social media app has been flagged by the NSPCC & the Humberside Police as being one of the main sources of online grooming incidents over the past 6 months in the region, with the youngest victim recorded just seven years old. The guide informs about the dangers associated with this social media platform and how parents/carers can reduce the associated risks, including sexting, snap map and snap streaks.

Please take the time to read the information in the attachment as some of the information will also apply to the other numerous social media apps young children may have access to.

Kind regards,
Mr N. Bostock
