Friday 16 <sup>th</sup> March	Year 4 visit to Grafham Water

### Parent Consultations

Please note that parent consultations will not be rescheduled this term. However, if you would like to see your child's class teacher on any important matters please contact the School Office at [replies@warboys.cambs.sch.uk](mailto:replies@warboys.cambs.sch.uk) with your preferred date. Teachers will try and meet with you straight after school on your preferred date, but unfortunately, this cannot be guaranteed due to staff commitments.. Thank you.

### After School Clubs

Thank you to everyone who completed our online survey showing an increased demand for after school care. We have now taken the next step and have asked Energy Kidz to compile their own survey to establish the genuine demand in order to take this further.

### Snow Day

Thank you for your support in respect of closing the school on Friday 2<sup>nd</sup> March which was due to adverse weather conditions. As you are aware, this was a decision that we did not take lightly, but taking into account the safety of staff, parents and children, we felt that this was the best course of action. Thank you for all your positive comments

### Grafham Water

We are now in the final phase of preparations for next week's residential visit and a letter with up to date information will be sent home today.

### Half-Term Homework Project

Can we please ask for children's space helmets to be brought into school by Friday 9<sup>th</sup> March, in preparation for Science Week which begins on Monday 12<sup>th</sup> March. Furthermore, we would like to invite parents/carers to join us after school on Monday 19<sup>th</sup> March in the Small Hall to view children's finished space helmets.

p.t.o
