Half-Term Homework Project

What fantastic space helmets were made by children as part of their half-term homework project! On Monday we had Dr Helen (a real scientist) visit school and children took part in a whole school science assembly. To celebrate this week's theme of Science, we would like to invite parents/carers to join us after school on Monday 19th March in the Small Hall, to view children's finished space helmets.

Attendance

As you are aware our target figure for attendance is 96%. However, we are disappointed to report that our attendance figure is currently 95.6% compared to 96.5% as of March 2017. This figure is significantly lower due to term-time holidays and Cambridgeshire County Council have confirmed that they have issued more penalty notices this term for our school, than previous years. This is evidence that the legislation for term-time holidays is not being adhered to. If you have any concerns regarding any attendance matters, please contact the School Office who will be happy to provide you with up to date information. You can also follow this link :- <https://www.cambridgeshire.gov.uk/residents/children-and-families/schools-&-learning/education-your-rights-and-responsibilities/term-time-holidays/>

Year 6 Bikeability

We have sent home information regarding the cycle training for children in Year 6. Training takes place from the 21st to 24th May 2018 and if your child would like to participate, please return the completed form to the School Office by Friday 23rd March 2018. This is the deadline date for the organiser who needs to confirm numbers and the appropriate amount of trainers. Thank you
