Wednesday 23<sup>rd</sup> May 2018

Dear Parent/Carer,

### Year 6 Summer information

We would like to give such praise to the Year six for their positive attitude during SATs week. SATs can be a very stressful time for some children but they remained calm all week which is a credit to their positive mindsets. We are pleased to say they enjoyed early morning breakfasts and we had a full attendance for all tests. Writing is still being assessed in class and final judgements for writing will be submitted in mid June. Results of their hard work will be announced early in July and will be published in their school reports at the end of the year.

Work during the summer term will continue as usual and will be focused around various themes ending in the annual year 6 production.

The key points below are to keep you informed but as ever you can contact the School Office at any time.

### Year 6 Summer Fete Stall- Saturday 9<sup>th</sup> June

Year 6 will again be running their own stall at the school fete and the PTFA have kindly let us use the money we make for our end of year treat. The stall will be a Teddy Tombola and selling old toys so we are asking if all children can bring in their old teddies and toys in the lead up to the fete.

### Year 6 Sponsored Cycle/Walk

We have decided to have a sponsored cycle to raise money for our end of year trip. The children, who have passed their Bikeability, will be cycling a circuit around the village. Those children who did not take part in Bikeability will walk the circuit. This will take place on Thursday 7<sup>th</sup> June so children who are cycling will need bikes and helmets in order to take part.

### Year 6 Easter Boosters Treat

We are looking to book bowling in early July for those who attended the Easter sessions. This will take place after school so we are asking if you can arrange transportation to and from the event. Further details will be sent out once confirmed.

### Year 6 Production

The end of Year 6 production, will take place on the afternoon of Wednesday 18<sup>th</sup> July and the evening of Thursday 19<sup>th</sup> July. We will be sending out another letter nearer the time with regards to costumes, timings and tickets.

p.t.o

continued:-

### **Wicksteed Park trip**

Year 6 have selected Wicksteed Park for their end of year trip. We are hoping for the visit to take place on Monday 23<sup>rd</sup> July and will send out further information once confirmed. Following the success of last year, over the next few weeks, they will be using their enterprising skills to raise money for the trip in order to reduce the overall cost. Nearer the time and once fundraising is underway, we will send out more relevant information including further payment details.

### **Year 6 Leavers Assembly**

The leavers assembly will take place on Tuesday 24<sup>th</sup> July at 9am. We envisage that this will last no longer than an hour. The children will be expected to come in full school uniform, but they may bring in an additional t-shirt that they would like others to sign later in that day.

We thank you in advance for your support in the last half term as children begin their preparation for transition.

Kind regards

Mr Duncan and Mrs Hunter-Jones
