Thursday 17<sup>th</sup> December 2015.

Dear Parents and Carers,

As you will be aware by now, Ofsted's recent inspection of the school has delivered a disappointing outcome, stating that the school 'requires improvement'

Whilst accepting the overall judgement of the inspectors, your Governing Body would like to make it clear that we are confident that the school is continuing to improve and we are constantly challenging the Headteacher and staff to ensure that the school delivers the education that our children deserve. There have also been some staff changes, which are part of the journey.

Despite the disappointing overall judgement of the inspectors, you should note that:

- The Early Years Foundation provision has been adjudged 'Good' and is a strength of the school.
- Your Governing Body is recognised to be effective and providing strong support and challenge.
- The Headteacher and Governors share a clear vision for improving the school.

It is disappointing to note that inspectors were left with an impression that some parents are not engaged with the school and so we would ask you to consider how you work with the school to ensure that your child gets the best education.

Warboys Primary School is a partnership of staff, children, parents, governors and community. There is a robust plan in place to move the school forward to 'Good' and we would ask you to continue to work with us, alongside your children, to ensure that your school achieves its goals. We can then look forward to completing this journey and celebrating our school together.

Yours sincerely

Steve Dodd  
Chair of Governors.

Together Moving Forward
