Bikeability

What wonderful weather our Year 6 children have had whilst completing their Bikeability training. You may have noticed them around Humberdale Way over the last few days and we would like to thank you for driving carefully past them. Good luck to all the students for their final cycle test tomorrow.

Attendance

We are very pleased to report that attendance for individuals and for the whole school continues to improve. Good attendance will always be a high priority for all children and we thank you for your continued support. It is our aim to try and remain above 97%.

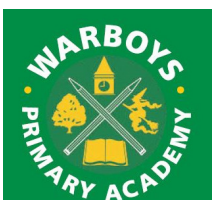

Parent Forum

Parent forum dates have been set for the summer term but in the meantime we will be running a survey to gather your views about how best to organise the parent forum in the future. The parent forum provides a worthwhile and rewarding way of working together to achieve the best outcomes for the children and our aim is to make this as successful as possible. Please look out for the survey over the next couple of days and take this opportunity to let us know your thoughts - thank you.

Seahorses Class Assembly

Children in the Seahorses Class would like to invite their parents/carers to join them on Friday 7th June 2019 at 9:00 a.m. for their class assembly.

Seamstress required - can you help?

We have a beautiful wall hanging that is normally displayed in the school corridor and was made by Mrs Boxall a number of years ago. It is very important to us as we take it to events and it shows people how proud we are of our school. Unfortunately, it is no longer fit for purpose as the name of the school has changed. Mr Smith has very carefully removed the letters 'Warboys Community Primary School' and has had some new lettering made for 'Warboys Primary Academy'. We now need a kind and willing volunteer who has the skills and the time to sew the new lettering on. If you can help please let the office know.

Term Dates

Term dates for 2019/2020 have now been finalised which includes five training days. We have attached the agreed dates for your information and thank you for your patience whilst waiting for the final training date to be set.

Class Photographs

Just a reminder that the deadline to avoid postage costs for class photographs is tomorrow (Thursday 23rd May). Unfortunately, any orders received after this date will be subject to postage.

Years 3/4 Workshop and Visit

As stated in last week's newsletter unless sufficient contributions to cover transport and other costs are received by Friday 24th May, we will be unable to run the activities planned for Years 3/4. If you have already paid, please ignore this final plea, however if you have still not contributed, can we please ask for your payment via ParentPay as soon as possible. We will of course inform you on Friday whether the trip will be taking place.
