Monday 3 rd June	Start of Summer Half-Term (2)

Fire Alarm

Thank you to everyone who assisted with the evacuation of school this morning, your co-operation in getting the children lined up was much appreciated. We can confirm that the alarm was set off accidentally but it is always important to follow the correct procedure. We were very impressed with the attitude shown by all children who remained calm and evacuated the premises quietly and quickly.

Tigers Class Assembly

Children in the Tigers Class would like to invite their parents/carers to join them on Friday 17th May 2019 at 9:00 a.m. for their class assembly.

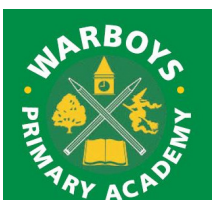

Year 6 SATs

Firstly we would like to say how well our Year 6 Children are doing in respect of their tests (SATs) this week. All children have arrived promptly together with a great attitude, which will help them with their last test tomorrow. Keep up the good work.

Class Photographs

We have sent home with your child a proof of their class photograph. If you would like to place an order through the School Office, please send completed forms and payments by Thursday 23rd May. Unfortunately, after this date you will need to send orders directly to Van Cols, which will incur postage costs.

continued:-

Bikeability

Bikeability training begins for 28 Year Six children on Monday 20th May. We have previously sent home the Bike Checklist, but attach it once more for parents, to ensure their child's bike is safe in preparation for next week.

Years 3/4 Workshop and Visit

Letters have been sent home providing information of two planned activities for Years 3 & 4 in respect of their current topic work. If you have not received the information, we have attached a copy for your perusal. As stated in the letter, if we do not have sufficient contributions to cover transport and other costs, we will be unable to run the activities. The deadline for contributions is Friday 24th May and we will of course inform you if the activities will be taking place.

School Census Day

As you may already know the funding our school receives is based upon census returns that we have to complete each term. The amount of funding is dependent upon the figures that we submit, with particular emphasis on the uptake of school dinners.

In order to help us to do the best for your children we are asking for your support. This term's census is on **Thursday 16th May 2019** and it is really important that as many children as possible in Reception, Year 1 and Year 2 have the free school lunch that they are entitled to.
