Thursday 26<sup>th</sup> June 2025

Dear Parents/Carers

### Careers Month: July 2025

We are very excited to announce that we have several events planned for July for the children to learn about a range of different careers and occupations. It is something which we feel is incredibly important in raising aspirations for our children and giving them an opportunity to meet with different people to develop their own understanding of who they are and what they may want to do in the future. Below is a timetable of the events that have been organised so far. The timetable below will outline the year groups who will be involved in the visits. These might be restricted to certain year groups solely based on the time commitment of the visitor and ensuring the content is pitched to the children appropriate to their current year group. We are still waiting to finalise a few more experiences and visits for the children so an updated timetable will be placed in the school letter for each week of Careers Month in July.

If you can offer your time to share about your own career, please contact Miss Westwood on [bwestwood@wpa.education](mailto:bwestwood@wpa.education). If you have already expressed an interest, please check your emails as you may have already been contacted about finalising dates.

We are really looking forward to the month and hope the children share with you what they have learnt at home.

If you have any further questions about what we have planned, please do not hesitate to contact the school office.
